

# PROCEEDINGS OF THE 38<sup>TH</sup> IAHR WORLD CONGRESS

Editor: Lucas Calvo

The papers included in this volume were part of 38<sup>TH</sup> IAHR World Congress (IAHR 2019) cited on the cover and title page. Papers were selected and subjected to review by the editor the International Scientific Committee. The papers published in these proceedings reflect the work and thoughts of the authors and are published herein as submitted. The publisher is not responsible for the validity of the information or for any outcomes resulting from reliance thereon.

IAHR publications follow the Ethical Guidelines and Codes of Conduct provided by the Committee of Publication Ethics (COPE). A publication ethics and publication malpractice statement has been publicly available in the review process

IAHR, founded in 1935, is a worldwide independent member-based organisation of engineers and water specialists working in fields related to the hydro-environmental sciences and their practical application. Activities range from river and maritime hydraulics to water resources development and eco-hydraulics, through to ice engineering, hydroinformatics, and hydraulic machinery.

IAHR consists of two offices: Madrid Office, Spain and Beijing Office, China.

## Organisation

### LOCAL DIRECTOR'S COMMITTEE

Chairman: Ing. Carlos Vargas, Panama Canal Authority (ACP)  
 Prof. Jorge Arosemena, Executive President, City of Knowledge Foundation (FCDS)  
 Ing. Jorge Quijano, Administrator, Panama Canal Authority (ACP)  
 Ing. Héctor Montemayor, Rector, Technological University of Panama (UTP)  
 Ing. Juan Planells, Rector, Santa Maria la Antigua University (USMA)  
 Dra. Mirna de Crespo, Rector, Universidad Latina de Panamá (ULATINA)  
 Dr. Freddy Picado, Director, Water Center for the Humid Tropics of Latin America and the Caribbean (CATHALAC)  
 Dr. Jorge Motta, National Secretary, National Secretariat of Science, Technology and Innovation (SENACYT)

### LOCAL ORGANISING COMMITTEE

#### Members:

Lucas Calvo (UTP)	José Fábrega (UTP)
Gisselle Guerra (UTP)	Elsa Flores (UTP)
Vicelda Dominguez (UTP)	Haydee Osorio (UTP)
Julio Moroy (ACP)	Ana Lim (ACP)
Ricardo Eskildsen (FCDS)	Vilma Falconett (FCDS)
Francisco García (SENACYT)	Dunia Miranda (SENACYT)
Belkis Lara (ULATINA)	Gianna Frassati (ULATINA)
Félix Quirós (USMA)	Gilda Achurra (USMA)
Octavio Smith (CATHALAC)	Ligia Rodriguez (CATHALAC)
